Hi Tom,
Sorry for the delayed response. I am back in Dallas and would love to bring you up to speed on the Illinois River project. Please give me a call at your convenience. I'm in today and tomorrow but will be out Monday – Wednesday next week. Talk to you soon.
Thanks so much.

Taim,
How are you doing? Still in DC? I know that can be rough. I go there now and again, but I would not want to stay there! Are we still on hold on the TMDL project? Is there an updated timeline? Please let me know as you have the time.
Take care,
